Wisconsin Associate Flock: A person may use, sell or distribute poultry or farm-raised game birds or their eggs for breeding or hatching, or for exhibition at a fair or livestock exhibition, or sale at a swap meet, livestock market or under private contract in Wisconsin, if the flock is enrolled in the Wisconsin Associate Flock program. (See s. ATCP 10.40 (3), Wis. Adm. Code) Enrollment is voluntary. There is no fee.

The owner of a flock of poultry or farm-raised game birds may annually enroll their flock as a Wisconsin Associate Flock if the flock consists solely of birds acquired from a Wisconsin Tested Flock, an NPIP flock or an NPIP affiliate flock.

To enroll a flock, submit the completed original of this form to the address listed above. The department will issue a certificate and flock number if the application is approved. A copy of the certificate must accompany any bird or egg in the flock when ownership is transferred or when poultry is moved or exhibited. Annual enrollment expires on June 30 of each year.
