Feb.2015 Edition

Dear Wisconsin Children's Safety Advocates:

In January 2014, the U.S. Consumer Product Safety Commission issued a total of **2 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month.

If you are interested in a complete text of the recall, double click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

- **Children's Pajamas Recalled by Star Ride Kids Due to Violation of Federal Flammability Standard ([15-057](#))**
- **IKEA Recalls Crib Mattresses Due to Risk of Entrapment ([15-059](#))**

KEEP YOUR KIDS SAFE

Release Number: (#15-057) Star Ride Kids, of New York, N.Y., is announcing the voluntary recall of about 7,000 Star Ride Kids girl's pajama sets. The recalled pajamas are made of polyester and sold in sizes 4 through 14. The pajama sets consist of polar fleece pants with a bow and elastic at the waist and a jersey two-piece long-sleeve shirt. Style reference number 5217 or 5250 is on a label in the side seam of each shirt. "Star Ride Taking It To The Next Level" is on a label in the waistband of each pair of pants. The logo "Star Ride" is printed on the inside back of the neck of each shirt. Some shirts have a hangtag on the wrist with the words "flame resistant sleepwear."

Problem: The pajamas fail to meet federal flammability standards for children's sleepwear, posing a risk of burn injuries to children.

What to do: Consumers should immediately take the recalled pajamas away from children, stop using them and return them to the place of purchase for a full refund. You can contact Star Ride Kids toll-free at (866) 349-7094 from 9 a.m. to 5 p.m. ET Monday through Friday or online at www.starride.com and click on the Product Recall link on the bottom of the page for more information.

Release Number: (#15-059) IKEA North America Services LLC, of Conshohocken, P.A., has announced the voluntary recall of about 169,000 IKEA VYSSA style crib mattresses with the following five model names: VACKERT, VINKA, SPELEVINK, SLÖA and SLUMMER.

The involved mattresses were manufactured on May 4, 2014 or earlier. An identification label attached to the mattress cover has the date of manufacture in Month-DD-YYYY format and the VYSSA model name. A gap between the mattress and crib ends larger than two finger width is an indication of the defective mattress.

Problem: The crib mattresses could create a gap between the mattress and crib ends larger than allowed by federal regulations, posing an entrapment hazard to infants.

What to do: Consumers should inspect the recalled mattress by making sure there is no gap larger than the width of two fingers between the ends of the crib and the mattress. If any gap is larger, customers should immediately stop using the recalled mattresses and return it to any IKEA store for an exchange or a full refund. You can contact IKEA toll-free at (888) 966-4532 anytime or online at www.ikea-usa.com and click on the recall link at the top of the page for more information.
