## Dear Wisconsin Children's Safety Advocates:

In May 2015, the U.S. Consumer Product Safety Commission issued a total of **8 recalls relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month. If you are interested in a complete text of the recall, double click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

## KEEP YOUR KIDS SAFE

**Release Number: (#15-127)** IKEA North America Services LLC, of Conshohocken, P.A., is announcing the voluntary recall of about 300,000 in the United States and about 44,000 in Canada IKEA SULTAN and VYSSA crib mattresses with the following model names: SULTAN BLUNDA, SULTAN DRÖMMA, SULTAN SNARKA, SULTAN SUSSA, VYSSA VACKERT, VYSSA VINKA, VYSSA SPELEVINK, VYSSA SLÖA and VYSSA SLUMMER. The recalled mattresses are 52 inches long and 27 ½ inches wide and were manufactured on May 4, 2014 or earlier. An identification label attached to the mattress cover has the date of manufacture in Month-DD-YY format or YY-WW format and the SULTAN or VYSSA model name. In the YY-WW format, mattresses with a date code of 14-18 or earlier are being recalled. A gap between the mattress and crib ends larger than two finger width is an indication of the defective mattress.

**Problem:** The crib mattresses could create a gap between the mattress and crib ends larger than allowed by federal regulations, posing an entrapment hazard to infants.

**What to do:** Consumers should immediately stop using a recalled mattress and inspect it by making sure there is no gap larger than the width of two fingers between the ends of the crib and the mattress. If any gap is larger, customers should immediately stop using the recalled mattresses and return it to any IKEA store for an exchange or a full refund. You can contact IKEA toll-free at (888) 966-4532 anytime or online at [www.ikea-usa.com](http://www.ikea-usa.com) and click on Product Recall near the bottom of the page for more information.

**Release Number: (#15-128)** Felt Bicycles, of Irvine, C.A., has announced the voluntary recall of about 200 beach cruiser style Felt Deep Six and El Guapo model bicycles with one speed and coaster brakes. “Felt” and “Deep Six” or “El Guapo” are printed on the bicycle’s frame. The Deep Six was sold in black cherry with white sidewall tires and the El Guapo was sold in matte black with white tires. The Deep Six has a serial number between YI31106188 and YI31106287. The El Guapo has a serial number between YI31106288 and YI31106387. The serial number is printed on the bicycle’s bottom bracket.

**Problem:** The bicycle’s brakes can fail, posing a crash hazard.

**What to do:** Consumers should immediately stop using the recalled bicycles and contact your local Felt bicycle dealer for a free inspection and replacement of the rear hub cog/driver.

**Release Number: (#15-131)** Baby’s Dream Furniture Inc., of Buena Vista, G.A., announces the voluntary recalls about 4,600 Baby’s Dream full-size cribs, furniture and accessories sold in a vintage grey paint finish under the Brie, Braxton, Heritage, Everything Nice and Legendary collections. **Problem:** The vintage grey paint on the cribs, furniture, and accessories exceeds federal lead limits. If ingested, lead can cause adverse health effects.

**What to do:** Consumers should immediately contact Baby’s Dream to arrange for an exchange. You can contact Baby’s Dream Furniture at (800) 835-2742 from 9 a.m. to 5 p.m. ET Monday through Friday, or visit the firm’s website at [www.babysdream.com](http://www.babysdream.com) and click on the recall image for more information.

**Release Number: (#15-132)** Schylling Inc. of Rowley, M.A., announces the voluntary recall of about 13,200 in the U.S. and 2,100 in Canada Police Press & Go toy vehicles. The white plastic toy cars have a painted dark blue hood and trunk, light blue windshield with a black eyes and mouth painted on the front of the car. There is a police head coming out of the roof of the car wearing a blue police hat with a green star on the center of the hat. When the police head is pressed down it winds up the motor and the car moves forward.

**Problem:** The hat can detach from the policeman's head and pose a choking hazard to young children.

**What to do:** Consumers should immediately stop using these. You can contact Schylling at (800) 767-8697 from 8:30 a.m. to 5 p.m. ET Monday through Friday, email at [SafetyAlert@Schylling.com](mailto:SafetyAlert@Schylling.com) or online at [www.schylling.com](http://www.schylling.com) and click on Safety Alerts & Recalls at the top of the page for more information.

**Release Number: (#15-133)** IKEA North America Services LLC, of Conshohocken, P.A., is announcing the voluntary recall of about 58,000 in U.S. and 17,000 in Canada PATRULL KLÄMMA and PATRULL SMIDIG Safety Gates.

These safety gates are white, made of steel and plastic, and measure about 29 inches high with an adjustable width from about 29 inches to 34 inches. The gate has a spring mechanism that fits between the two sides of the door frame to hold the gate in place. A permanent label is attached to the metal bar at the bottom of the safety gate containing an article number.

**Problem:** The friction between the wall and the pressure-mounted safety gate is insufficient to hold the gate in its intended position, posing a fall hazard. In addition, the lower metal bar can be a tripping hazard.

**What to do:** Consumers should stop using the safety gate and return it to any IKEA store for a full refund. Any PATRULL KLÄMMA /SMIDIG safety gate extensions may also be returned for a full refund. Consumers who want to keep their PATRULL KLÄMMA or SMIDIG safety gate for limited use in a doorway between rooms or at the bottom of a staircase can contact IKEA to receive free updated user instructions and new adhesive warning labels to put on their safety gate. You can contact IKEA toll-free at (888) 966-4532 anytime or online at [www.ikea-usa.com](http://www.ikea-usa.com) and click on the recall link on the top or bottom of the page for more information.

**Release Number: (#15-145)** OXO, of El Paso, T.X., is announcing the voluntary recall of about 25,000 in the U.S. and 130 in Canada Nest Booster Seat sold in green (model 6367200), pink (model 6367300), taupe (model 6367500) and orange (model 6367400) with a white base. A sticker affixed to the underside of the seat reads "Nest Booster Seat" with the model number and manufacture date. The manufacture date code represents the month and year in MMY format and recalled units have the code: 0714, 0814, 0914, 1014, 1114 or 1214. The formed plastic seats are about 13 inches wide by 14 inches tall by 12 inches deep and have a grey three-point child restraint strap system. The

OXO logo is embossed on the restraint system's buckle.

**Problem:** The stitching on the restraint straps can loosen which allows the straps to separate from the seat, posing a fall hazard to children.

**What to do:** Consumers should immediately stop using the Nest booster seats and contact OXO for a free repair kit with redesigned safety straps and installation instructions.

**Release Number: (#15-149)** Bombardier Recreational Products, of Canada, is announcing the voluntary recall of 12,500 model year 2008 through 2015 Can-Am Mini DS ATVs. The recalled vehicles are youth model ATVs and have engines sizes of 70 cubic centimeters and 90 cubic centimeters. They were sold in the colors black and yellow. "Can-Am DS" and the engine size is on both sides of the vehicle's fairing. "Can-Am" appears in white letters on both sides of the seat.

**Problem:** The youth ATVs fail to meet performance requirements of the federal ATV standard for maximum unrestricted speed and parking brakes, posing a crash hazard.

**What to do:** Consumers should immediately stop using the recalled ATVs and contact a BRP dealer to schedule a free repair. BRP is notifying registered consumers directly. You can contact BRP toll-free at (888) 272-9222 from 9 a.m. to 9 p.m. ET Monday through Friday, or online at [www.can-am.brp.com/off-road](http://www.can-am.brp.com/off-road) and click on Owners, then "View Details" for Safety, then "View Notices" for Safety Recalls.

**Release Number: (#15-152)** Cycling Sports Group Inc., of Wilton, C.T., is announcing the voluntary recall of about 160 2015 model year GT Fury Elite and GT Fury Expert downhill mountain bicycles. The recalled 2015 Fury Elite model is white with blue and red accents. The recalled 2015 Fury Expert model is metallic grey with lime green accents. The bicycles have front and rear disc brakes and come with rear shock absorbers and front suspensions. "Fury" is printed on the top tube, the GT logo is on the down tube and the chainstay. The model names are printed in small letters on the top tube of the bicycles near the word Fury.

**Problem:** The front wheel hub can break and cause the disc brake system to fail, posing crash and injury hazards to the consumer.

**What to do:** Consumers should immediately stop using the recalled bicycles and return them to the nearest authorized GT dealer to have the complete front wheel replaced free of charge. You can contact Cycling Sports Group at (800) 726-2453 from 9 a.m. to 6 p.m. ET Monday through Friday, email [custserve@cyclingsportsgroup.com](mailto:custserve@cyclingsportsgroup.com), or online at [www.gt bicycles.com](http://www.gt bicycles.com) and click on Recalls under Recalls & Safety at the bottom of the page.
