SECTION I: State of Wisconsin Export Certificates and Export Services

A. Food Safety and Inspection

The Food Safety & Inspection Bureau in the Division of Food Safety offers certificates for food products intended for human consumption produced in food processing plants and dairy plants. A Certificate of Free Sale, Sanitary, Purity and Health is required to export food products. The Division of Food Safety is the official licensing agency for all food operations in the State of Wisconsin and issues notarized certificates attesting to the licensing, inspection and standing of these operations.

The request for certificates must be in writing. Requests can be made only through our website at http://datcpservices.wisconsin.gov/Certificate_of_Free_Sale/index.aspx?AspxAutoDetectCookieSupport=1. If we have furnished you with certificates in the past, include a copy with any relevant changes. This will ensure that the new set of certificates will be exactly what is required.

Wisconsin does not license nor inspect nutritional supplement manufacturers. The FDA regulates those products; please see <http://www.fda.gov/> for more information.

Provide the following information in your request:

1. Name and address of the company that produced the product.
2. License number of the producing plant(s). (Dairy Plant, Food Processor, Etc.)
3. Contact person and telephone number of the individual requesting the certificates.
4. The number of sets of certificates. (1 set consists of 4 identical original documents)
5. Address to send completed certificates to.

CERTIFICATES OFFERED

Certificate of Free Sale, Sanitary, Purity, Origin and Health

Note: The Food Safety Bureau does not issue Certificates of Free Sale for processed meat such as sausage or bacon. For those products, refer to Section C.

REGULAR SERVICE – processed within 3 business days; sent via first-class mail only. The fee for each set of certificates using Regular Service is \$65.00.

SPECIAL SERVICE –processed within 1 business day; sent via Fed Ex or UPS.

You must provide an account number and a copy of the waybill. The fee for each set of certificates using Special Service is \$100.00.

CONTACT

Dept. of Agriculture, Trade and Consumer Protection

Food Safety & Inspection Bureau,
Division of Food Safety

2811 Agriculture Drive

Madison, WI 53718

Email: DATCPFreeSaleCertificate@wisconsin.gov

Tel: 608-224-4712

Note: All certificates for meat and pizza must be requested directly from the USDA at <http://www.fsis.usda.gov/wps/portal/fsis/topics/international-affairs/exporting-products>. This website facilitates food export certification by providing updated information on international certification requirements, competent US state and federal authorities who issue food export certificates and a standardized format for state-issued certificates.

B. Division of Agricultural Resource Management

Plant Industry Bureau

The Plant Industry Bureau offers inspections and certificates for plants, plant products and honey bees (apiary) intended for export. All certificates are processed within 10 business days of receipt barring any regulatory concerns or import requirements.

CERTIFICATES OFFERED

See below for a complete description of each certificate.

Plant Health Certificate

State Phytosanitary Certificate

Federal Phytosanitary Certificate

Export Processed Plant Product Certificate

Re-Export Certificate

Apiary Certificate of Inspection

CONTACT

Dept. of Agriculture, Trade and Consumer Protection

Plant Industry Bureau

2811 Agriculture Drive

Madison, WI 53718

See below for contacts for specific certificates.

Plant Certificate Description

- **Plant Health Certificate:** Shipping plants and plant products from Wisconsin to most other states (interstate). Good for one year.
- **State Phytosanitary Certificate:** Shipping plants and plant products from Wisconsin to other states and US territories (interstate). Good for 30 days.
- **Federal Phytosanitary Certificate (PPQ Form 577):** Shipping United States origin plants and plant products to other countries. Good for 15 days.
- **Export Processed Plant Product Certificate (PPQ Form 578):** Processed plant products to other countries. Good for 15 days.
- **Re-Export Certificate (PPQ Form 579):** Foreign origin plants and plant products re-exported from U.S. to foreign consignee. Good for 15 days.

FEE

\$50.00 per original interstate certificates (\$15 per replacement)

\$56.00 per original PPQ forms (\$21 per replacement)

CONTACT

Greg Helmbrecht

Email: greg.helmbrecht@wisconsin.gov

Phone: 608-224-4596

TO APPLY

Visit <https://pcit.aphis.usda.gov>. First-time users will have to register through USDA e-authentication website with level one access. When applying, direct the requesting duty station to "Wisconsin Madison State".

For Plant Health Certificates:

Liz Meils
 Email: elizabeth.meils@wisconsin.gov
 Phone: 608-224-4572

Apiary Certificates

Apiary Certificate of Inspection: Annual certificate used for moving honey bees from Wisconsin to other states.

FEE

\$50.00 per certificate

CONTACT

Liz Meils
 Phone: 608-224-4572
 Email: elizabeth.meils@wisconsin.gov

Ginseng Certificates

In late 2009, the ginseng dealer, and ginseng grower registration packets were revised so that growers and dealers submit different forms. Previously, dealers and growers used the same form. The out-of-state dealer registration and certificate have been eliminated. Out of state dealers will use the dealer forms. Visit https://datcp.wi.gov/Pages/Licenses_Permits/GinsengRegistration.aspx for more information.

Ginseng Dealer Certificate: Annual certificate used for selling cultivated ginseng purchased from a registered grower or dealer <https://datcp-auth-prod.wi.gov/Documents/2018GinsengDealerApplication.pdf>

Ginseng Growers Certificate: Annual certificate used for growing and selling ginseng. <https://datcp-auth-prod.wi.gov/Documents/2018GinsengGrowerApplication.pdf>

FEE

\$15.00 per certificate

C. Division of Agricultural Development

The Wisconsin Department of Agriculture, Trade and Consumer Protection can issue a general Certificate of Free Sale to companies whose products require a Certificate of Free Sale in order to enter international commerce. The following criteria must be met: the product is manufactured in Wisconsin; the same product is freely sold in the United States; and no other regulatory agency (state or federal) has the authority to issue a Certificate of Free Sale for the product in question.

CERTIFICATES OFFERED

Certificate of Free Sale for products manufactured in Wisconsin including non-agricultural products and processed meats.

FEE

\$35.00 per certificate

SECTION II: Federal Export Certificates (USDA-APHIS, USDA-FSIS, United States Customs)

A. Live Animals & Animal Products (including dairy products)

The Wisconsin Department of Agriculture, Trade and Consumer Protection's Division of Animal Health governs movement of animals and animal origin products into and from Wisconsin to international destinations. Health papers are filed through the state offices of [USDA-APHIS Veterinary Services](#).

APHIS serves to facilitate safe international trade, monitor the health of animals presented at the border, and regulate the import and export of animals, animal products, and biologicals. Other products requiring certificates include hatching eggs, certain dairy products, animal and egg based research and inoculants and animal cellular cultures. **Companies should always refer to the [APHIS Import/Export website](#) for country-specific documentation requirements for their particular product.**

FDA Certificate Descriptions

- **Certificate of Free Sale:** For food, including dietary supplements, and cosmetic products that may be legally marketed in the United States (CFSAN).
- **Health Certificates for Food/Feed:** Currently required primarily by the European Union (EU), are usually consignment-specific and often contain language pertaining to "compliance" of the particular product/consignment with foreign regulations.
- **Specified Risk Materials of Bovine, Ovine & Caprine Origin Certificate:** Used for the export of gelatin that can be legally marketed in the United States. These certificates address concerns on raw material in regard to transmissible spongiform encephalopathies. (CFSAN)
- **Certificate of Pharmaceutical Product:** Conforms to the format established by the World Health Organization (WHO) and is intended for use by the importing country when considering whether to license the product in question for sale in that country. (CBER, CDER, and CVM)
- **Non-Clinical Research Use only Certificate:** For the export of a product, material, or component, for non-clinical research use only, that is not intended for human use and which may be marketed in, and legally exported from the United States.
- **Certificate to Foreign Government:** For the export of human drugs and biologics, animal drugs and devices that may be legally marketed in the United States.
- **Certificate of Exportability:** For the export of human drugs and biologics, animal drugs, and devices that may not be legally marketed in the United States but meet the requirements of sections 801(e) or 802 of the Act and may be legally exported. (CBER, CDRH, and CVM)
- **Compliance with Good Manufacturing Practices:** FDA performs inspections for compliance with cGMP regulations for drug, biologic, medical devices, human food and animal feed manufacturers that are registered and listed with the Agency. FDA bases its attestation of compliance with cGMP regulations on the manufacturer's most recent FDA inspection and other available information.

D. Fruits, Vegetables & Grains

Depending on the export destination and product, grains and fresh or frozen fruits, and vegetables might require an inspection certificate prior to export. Certificates are issued by a variety of federal agencies including USDA Plant Protection & Quarantine (PPQ) Section of APHIS, Agricultural Marketing Service and the Federal Grain Inspection Service (FGIS).

USDA Certificate Descriptions

- **Official Export Grain Inspection Certificate:** For export of grains, oilseeds and related products. Learn more at <http://www.gipsa.usda.gov/fjis/exportinggrain.aspx>
- **Official Export Fruit/Vegetable Inspection Certificate:** For fresh fruits and vegetables. Learn more at <http://www.ams.usda.gov/AMSV1.0/freshinspection>.
- **Certificate of Quality and Condition:** For export of processed fruit, vegetables and other products. Learn more at <http://www.ams.usda.gov/AMSV1.0/processedinspection>.
- **Plant Protection and Quarantine Certificates:** A number of certificates verifying the plant or plant product has been inspected. This includes permit 526, Permit to Move Live Plant Pests or Noxious Weeds into Wisconsin.
http://www.aphis.usda.gov/import_export/plants/plant_exports/index.shtml

E. All Products – Certificate of Origin

The Customs and Border Protection within the Department of Homeland Security regulates movement of all goods into and out of the United States. A certificate of Origin identifies who has produced described goods and in what country. Certificates of Origin are used to determine tariffs. **The exporter generates the Certificate of Origin** and maintains records to support representation of goods as described in the document. Certificate of Origin requirements are stated on your customer's import license as determined by the importing country and the provisions of trade agreements with the United States.

CERTIFICATES OFFERED

U.S. Customs Certificate of Origin

CONTACT

Your local Chamber of Commerce or <http://www.ecertify.com/>

Additionally, All forms are available on line at:

<https://www.export.gov/article?id=Certificates-of-Origin>

FEE

None. Shippers and freight forwarders will charge nominal fees for the completion of this document.

Certificate of Origin forms are also available from all major freight handlers such as UPS, Fed-Ex and DHL.

F. Wood Products and Packaging

Treating wood properly and meeting the International Standards for Phytosanitary Measures (ISPM 15) are essential to reduce environmental and economic harm associated with the introduction of invasive species to a country. All solid wood components of the wood packaging materials (both hardwood and softwood species of the wood) need to be treated with **heat treatment** and/or **fumigation** depending on the destination country. Items such as plywood, particleboard, oriented strand board, and veneer are exempt from the standard. Wisconsin companies can ensure their wood packaging materials meet the ISPM 15 standards by having the wood treated at any one of many Wisconsin-based certified facilities. Companies with questions about exporting their products can contact a member of the International Agribusiness Center.

CERTIFICATES OFFERED

ISPM 15 Certification
Wood Packaging Materials Certification (WPM)

SECTION III: Export Certification Process and Test Lab Information

A. Document Authentication and Apostilles

WISCONSIN SECRETARY OF STATE

Authenticating a document may also be called “flagging”, “verifying”, “certifying”, or “attaching a certificate of magistracy”, or attaching a “state seal”. It means that an official certificate confirming the existence of a particular notary public or public officer, who has signed the document, must be attached to the document.

Contact:

Wisconsin Secretary of State
30 W. Mifflin, 10th Floor, Madison, WI 53703
Phone: 608-266-5503
Email: statesec@Wisconsin.gov

For more information:

<http://www.sos.state.wi.us/apostilles>

WISCONSIN DEPARTMENT OF FINANCIAL INSTITUTIONS

Apostilles and authentications are documents issued by the Wisconsin Department of Financial Institutions to certify signatures of public officials on documents issued in Wisconsin to be used outside the United States of America. Some examples of documents submitted include: birth certificates, adoption papers, marriage licenses, corporate documents, school transcript records and trademarks.

For more information:

Email: DFIApostilleAuthentication@wisconsin.gov
Phone: 608-266-8915

<http://www.wdfi.org/ApostilleAuthentication/default.htm>

UNITED STATES SECRETARY OF STATE

The Department of State, Authentications Office is responsible for signing and issuing certificates providing authentication services to U.S. citizens and foreign nationals on documents that will be used overseas. Documents include but not limited to: company bylaws, trademarks, distributorship agreements, good standing certificates, etc.

For more information:

<http://travel.state.gov/content/travel/english/legal-considerations/judicial/authentication-of-documents/office-of-authentications.html>

B. Manufacturing Processing Certification Resources

Safe Feed, Safe Food - <http://www.safefeedsafefood.org>

Governed by: American Feed Industry Association

Safe Feed/Safe Food Certification Program is a voluntary, third-party-certified initiative designed for feed mills and feed- and ingredient-related facilities in the United States and Canada.

Hazard Analysis & Critical Control Points (HACCP)

<http://www.fda.gov/Food/GuidanceRegulation/HACCP/>

Governed by: U.S. Food and Drug Administration

HACCP addresses food safety through the analysis and control of hazards throughout the production process to the consumption of the finished product.

Global Food Safety Initiative - <http://www.mygfsi.com>

Coordinated by: The Consumer Goods Forum

The Global Food Safety Initiative was set up to pursue improvement in our food safety systems. Harmonizing global food safety standards increases transparency and efficiency in the supply chain, cuts costs and provides assurance of safe food for consumers worldwide.

C. Radiation-Free Certificate

Some importing countries may request a Radiation Free Certificate. This can be obtained through the United States Department of Agriculture (USDA).

CERTIFICATES OFFERED

Radiation-Free Certificate

FEE

None

CONTACT

Processed Products and Technical Regulations Division

Phone: 202-720-0689

Fax: 202-690-0677

Email: linda.dallos@fas.usda.gov

Email: pptrd@fas.usda.gov

D. Testing Labs Information

Occasionally, importing countries require third-party lab tests certifying the quality and purity of the product to be exported. The International Agribusiness Center can provide a list of approved laboratories. Go to https://datcp.wi.gov/Pages/Growing_WI/InternationalAgribusiness.aspx for more information on the center's services.

The International Agribusiness Center can be contacted at 1-800-462-5237 or international@wi.gov.
