## Dear Wisconsin Children's Safety Advocates:

In January 2019, the U.S. Consumer Product Safety Commission issued a total of **1 recall relating to products affecting children**. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month.

If you are interested in a complete text of the recall, click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

# KEEP YOUR KIDS SAFE

**Release Number: (#19-724)** Forest Trading LLC, of Norcross, Ga., is announcing the voluntary recall of about 500 bed rails. This recall involves bed rails with model number Boom09. Hot Mom is printed on the bottom right corner of the bed rail. They measure approximately 59 inches long by 2 inches deep by 25 inches high. They have a plastic perimeter with two mesh centers and are sold with a light blue and white cover.

**Problem:** The bed rails fail to meet the federal mandatory standard for portable bed rails, posing entrapment and suffocation hazards to young children.

**What to do:** Consumers should immediately stop using the recalled bed rails and contact Hot Mom to return them for a full refund. Hot Mom is contacting all known purchasers directly. Consumers can contact Hot Mom toll-free at 855-723-3893 from 9 a.m. to 5 p.m. ET Monday through Friday or email at [recalls@consumersafety.online](mailto:recalls@consumersafety.online) or online at <http://www.hotmom-uk.com/> and click on the "Hot Mom Bed Rail Recall" link for more information.
