## 2018 Industrial Hemp Outdoor Field Planting Report

### 1) License Holder Information

LICENSE HOLDER NAME	LICENSE NUMBER
CONTACT NAME / OPERATIONS MANAGER	

If any information on your license application has changed, you must complete and submit a license amendment form, available at

[https://datcp.wi.gov/Pages/Programs\\_Services/IndustrialHemp.aspx](https://datcp.wi.gov/Pages/Programs_Services/IndustrialHemp.aspx)

2) If you did not plant, and do not plan to plant any hemp in 2018, check this box

3) If you planted industrial hemp outdoors, you must complete the following table.

Field number	Variety or strain	Seeds or transplants	Source**	Area planted (acres)	Primary intended use of crop	Date planted	Expected harvest date	Check if this is a replant	Check if NO planting will occur
<i>Ex: Field 1</i>	<i>X59</i>	<i>Seeds</i>	<i>Hemp 'R Us</i>	<i>3 acres</i>	<i>Grain</i>	<i>5/25/18</i>	<i>9/1/18</i>		

\*\* For Seed/Transplant Source, indicate where you received the material from, which may be another license holder or a seed/transplant supplier in another state's pilot program.

**4) Do you intend to plant additional hemp at this address this year?**

<input type="checkbox"/> Yes (please explain):	<input type="checkbox"/> No
--	-----------------------------

**5) Attach an **updated version of the map** for this address. Include the following new information on the map:**

- Circle only the area planted in each field.
- If not planting in a registered field location, mark an “X” through the field where hemp will NOT be planted. Also, remember to write the field number for this no-plant field in the table on Question (3) and mark the “No Planting” column.

**6) License holder or operations manager signature, verifying the above information is accurate:**

<b>SIGNATURE</b>	<b>DATE</b>
------------------	-------------

**Reminders:**

- If you planted industrial hemp in a greenhouse or indoors, you must complete the greenhouse/indoor planting report.
- You must notify the DATCP 30 days prior to your intended harvest date. Samples must be taken and harvest must be approved by the DATCP before it takes place.

**This form must be faxed, emailed, or mailed within 30 days of planting, but no later than July 1, 2018. You may add additional sheets as necessary.**
