
Wisconsin County & District Fairs

2022

Annual Report

2022 Wisconsin County and District Fairs Annual Report

INTRODUCTION

County and district fairs are an annual pastime that bring producers and consumers together every summer. These community events unite and engage fairgoers both rural and urban, and of all ages and backgrounds, in an educational and entertaining environment that showcases youth and adult exhibits and agricultural displays.

Fairs have adapted to keep up with changes in agriculture and technology and have helped lead these changes to fit the needs of the public. Serving as a community showplace, fairs also offer the opportunity for youth and adults to work and volunteer together.

Many of Wisconsin's 74 county and district fairs are involved with the International Association of Fairs & Expos (IAFE). As IAFE members, they enter contests for advertising and promotions and learn how to develop and promote agricultural education. Many Wisconsin county fairs, and the Wisconsin State Fair, have won national IAFE awards.

STATE AID

The source of 2022 fair aid funding comes from General Purpose Revenue. The uniform premium list, as established in ATCP 160 of the Wisconsin Administrative Code, provides the basis for the distribution of \$456,400 for premium aid to county and district fairs.

State aid is paid on a formula established in 2007 by the Wisconsin State Legislature, Section 20.115(4) (b), Wis. Stats. Premiums are paid to junior, open and senior citizen classes, with a \$10,000 maximum for each fair. Section 93.23(1) (a) directs money to be paid to fairs by request only. State aid paid to each fair is based on premiums paid in the current fair season.

ATCP 160 UPDATE

Effective October 1, 2022, ATCP 160 was updated to modernize and clarify the requirements for fairs receiving state aid. The updated rule can be referenced here: https://docs.legis.wisconsin.gov/code/admin_code/atcp/140/160.pdf.

FAIR PROMOTION

The Fairs Entertainment Schedule is a promotional tool listing daily entertainment for each Wisconsin fair. It is printed and distributed through collaboration between the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) and the Wisconsin Association of Fairs (WAF).

For a listing of fair dates and contact information, visit www.wifairs.com.

Additional fairs information, including the Fair Judge Application, is located on the DATCP website at <https://datcp.wi.gov>. Licensed fair judges can update their information, sign up for new departments or change their fair judge status by emailing datcpfairjudgeupdate@wisconsin.gov.

SUMMARY

County and district fairs are integral to many Wisconsin communities. The success of these fairs can be measured in many ways, such as in the educational value they provide to youth, the social impact on the people living in those communities and surrounding areas, and the economic impact on those communities and the state overall. Fairs also continue to provide an excellent value for fairgoers' dollars.

As current and future generations become less connected to the farm, there is a need to increase consumer agricultural awareness and education. Wisconsin's many fairs do an exceptional job filling this need through engaging and informative exhibits, as well as by offering numerous educational and entertainment experiences.
