- The Reports of Decisions is designed to contain copies of all orders issued by the Wisconsin Veterinary Examining Board from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by The Board constitute a formal disciplinary action.
- Reports of Decisions contains information as it exists at a specific point in time in the Veterinary Examining Board data base. Because this data base changes constantly, the Board is not responsible for subsequent entries that update, correct or delete data. The Board is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by contacting:
