

Wisconsin Department of Agriculture, Trade and Consumer Protection
 Division of Food Safety, Box 93586, Milwaukee, WI 53293-0586 Telephone (608) 224-4720

LICENSE FEE SCHEDULE

PLEASE TYPE OR PRINT - Submit check payable to WDATCP with all copies of application to address above

Food: A raw, cooked, or processed edible substance, ice, beverage or ingredient used or intended for use or for sale in whole or in part for human consumption, or chewing gum.

Food Processing: The manufacture or preparation of food for sale through the process of canning, extracting, fermenting, distilling, pickling, freezing, baking, drying, smoking, grinding, cutting, mixing, coating, stuffing, slicing cheese/lunch meat, popping popcorn, scooping ice cream, packing, bottling or packaging or through any other treatment or preservation process.

License Denial: If a license application is denied, the applicant has the right to request a hearing concerning the denial (s. 227.42, Stats.). The request must be made in writing and must be received by the Department at the central office within 10 days after the applicant receives notice of denial. License fees are not refundable if a license application is denied.

License Fees: The license fees that are paid are not prorated or transferable from one location to another or from one owner to another.

License Surcharge Fee: Applicants found to be operating without a license within one year before submitting the license application shall pay a license fee surcharge. The applicant has the right to request a hearing concerning the surcharge (s. 227.42, Stats.). The request must be made in writing and must be received by the Department at the central office within 10 days after the applicant receives notice of surcharge.

Potentially Hazardous Food: Any perishable food capable of supporting rapid and progressive growth of infectious or toxicogenic microorganisms. Potentially hazardous foods include: meat, fish, poultry, dairy products (such as milk, cheese, ice cream, etc.), eggs, shellfish, etc. **Basically, any readily perishable food requiring special storage conditions, refrigeration, freezing or hot holding for food safety is a potentially hazardous food.**

Reinspection Fee: Establishments found operating in substantial noncompliance on a regularly scheduled inspection, may be reinspected and charged under authority of administrative rule.

Review of Equipment and Plans: Upon request by any dairy or food establishment, the Department's Division of Food Safety may review construction plans or equipment for compliance with applicable laws before a facility is constructed or equipment is installed. The Department may charge a fee to recover its cost for this review service, regardless of whether the review is required by law (s. 93.06(1w), Stats.).

Food Processing Plant:

License Ref. ch. ATCP 70 Wis. Adm. Code & s. 97.29, Stats. **License expires annually, March 31**

A food processing plant buying vegetables directly from a Wisconsin grower shall not be licensed until the operator complies with applicable registration and producer security requirements under s. 126.55, Stats.

Dollar Volume of Production= (gross sales of product processed) + (inventory) value of any portion of product not sold.

Canning means the preservation and packaging in heretically sealed containers of low-acid or acidified foods such as beans, corn or pickles (this does not include jams or jellies).

License Description	License Fee	License Surcharge	License Late Fee	Reinspection Fee
