Do I need a livestock siting permit?

1. Does town or county require a permit to build or expand a livestock facility?
   - No → Go. No permit needed
   - Yes → Will proposed facility expand by more than 20%?
     - No → Go. No permit needed
     - Yes → Is proposed facility greater than 500 AU or exceed?
       - Yes → Permit needed
         - Proposed facility is NEW or EXPANDING and less than 500 AU
           - Complete and submit application and worksheets 1, 3 (parts A & B - part C if applicable), 4, and 5
         - Proposed facility is EXPANDING between 500-1000 AU
           - Complete and submit application and worksheets 1, 3, 4, and 5
         - Proposed facility is NEW and between 500-1000 AU
           - Complete and submit application and all worksheets
         - Proposed facility is NEW or EXPANDING and greater than 1000 AU
           - Complete and submit application and all worksheets along with additional requirements

2. Will proposed facility exceed a previously authorized permit threshold?
   - No → Go. No permit needed
   - Yes → Does town or county have a local approval threshold lower than 500 AU that was in place prior to July 19, 2003?
     - No → Go. No permit needed
     - Yes → Permit needed
