Wisconsin Restricted Use Pesticide Dealers and Distributors Annual Reporting

Each location holding a Wisconsin Dealer/Distributor of Restricted Use Pesticide license must file an annual report as per Wis. Admin. Code s. ATPC 29.15(9). Report information relevant to your pesticide suppliers and the pesticides you distributed between October 1, 2023 and September 30, 2024.

The report is due October 30, 2024.

Electronic Reporting – Electronic reporting via excel is preferred, yet DATCP will continue to accept paper reporting forms. You may submit electronic reports using the Excel template available on the DATCP website at [https://datcp.wi.gov/Pages/Licenses Permits/RestrictedUseDealer.aspx](https://datcp.wi.gov/Pages/Licenses%20Permits/RestrictedUseDealer.aspx), OR you can import your information into an Excel file that uses identical column heading names.

- 1) Download the Excel template, or create your own using the required column headings identified below.
- 2) Report suppliers and pesticides in separate sheets (tabs) in your Excel file.
- 3) Provide data for each required field.
- 4) Name the Excel file with this format: *business name _ license number*
- 5) Email the completed file to datcprupdealerreporting@wisconsin.gov. Use an email subject line: **2024 your business name and license number**. In the body of the email, include contact information.

Compliance Awareness

DATCP would like to remind sellers and applicators of atrazine products, to review and comply with the label setbacks to land features. This reminder comes as there is increased surface water monitoring by state agencies and heightened concerns regarding Endangered Species Act responsibilities. For more information please review DATCP's Atrazine Setback Outreach piece: [https://datcp.wi.gov/Documents/ARM Pub 20 UsingAtrazineInWisconsin.pdf](https://datcp.wi.gov/Documents/ARM_Pub_20_UsingAtrazineInWisconsin.pdf).
