

Comparison of Agrichemical Clean-Up Programs

	WISCONSIN Agricultural Chemical Clean-Up Program	MINNESOTA Agricultural Chemical Response and Reimbursement Account	KANSAS Kansas Agricultural Remediation Fund	ILLINOIS Agrichemical Facility Response Action Program	IOWA Agrichemical Remediation Act
Authorized	1993	1989	2000; sunsets 7/1/20	1999, Amended 2002 and 2008	2000; Repealed in 2011
Lifetime maximum	\$400,000	350,000	\$200,000	None	\$250,000
Co-payments	75/25; can be reduced to 50/50 if subsequent contamination at the same site or law violation. No reimbursement if “grossly negligent”.	80/20; 60/40 if recontamination from a subsequent incident at the same within 5 years. Can reduce reimbursement or payment if a portion of the incident was caused by certain violations of Minnesota Statutes	90/10 up to \$100,000; 80/20 from \$100,000 to \$200,000. Also, 100% for those who have not paid a fee, from \$1000-\$10,000	None	90/10 up to \$100,000; 80/20 from \$100,000 to \$200,000; 70/30 from \$200,000 to \$250,000
Deductible	\$3000 or \$7500	\$1000	\$1000	None	\$5000
Fees	<ul style="list-style-type: none"> • \$11.20 commercial applicators • \$30.40 pesticide business • \$22.80 restricted use dealer • \$11.20 fertilizer license • \$0.35/ton fertilizer • 0.6% of sales pesticide products 	<ul style="list-style-type: none"> • \$25 Commercial Applicator Licenses • \$100 Structural Pest Control • \$50 Fertilizer Licenses • \$75 Pesticide Dealer License (Ag & Non-Ag) • \$0.30/ton Fertilizer Tonnage • 0.30% of sales Pesticide Registration • \$3,000 Out-of-State Pesticides Distributors 	<ul style="list-style-type: none"> • \$100 each custom blending facility • \$20 each commercial fertilizer registered • \$60 each agchem pesticide registered • \$5 per pesticide dealer with sales <\$2500 • \$80 pesticide dealer with sales >\$2500 • \$1000/responsible party of a site sold or leased • \$.0005 per bushel of storage capacity 	None	Funded from general fund at very low levels (under \$200,000 annually)
Other	Must maintain balance under \$2,500,000. Can reduce fees by emergency rules to do this (Governor approval required).	Must maintain unencumbered balance of at least \$1 million. If the balance of the ACRRA fund drops below \$2,000,000, no single eligible person may receive a reimbursement exceeding \$100,000 within a single year. Cannot exceed balance of \$5 million. Projects that receive ACCRA cost-sharing but are part of the AgVIC program must pay for the MDA technical staff oversight on the project. This is not reimbursable.	Whenever on 4/1 of any year the unobligated principal balance of the fund equals or exceeds \$5,000,000, the assessments shall not be levied on or after the next 7/1. Whenever on 4/1 of any year thereafter the unobligated principal balance of the fund equals \$1,500,000 or less, the assessments shall again be levied on and after the next 7/1. The director of accounts and reports, not later than 4/5 of each year, the unobligated balance of the fund on April 1 of such year.	Voluntary program. Land application authorization program for contaminated soil from agrichemicals	N/A
