HOW DO I SIGN UP FOR WEAVR?

1. Go to [https://weavrwi.org](https://weavrwi.org).
   
   Click on the Register Now button.
   
   (If you have questions, click on the blue FAQ tab on the left.)
   
   (Review the Terms of Service and Privacy Policy information.)

2. Select the Add Organization link.
3. On the organization pop up, expand the MRC Organization list by selecting the + button. In the expanded select the check box next to “Wisconsin Animal Response Corps.”

Click “Select” on the bottom right of your screen. You will then be directed back to the registration process.

4. Go to the section titled **Account Information**. Asterisks indicate required fields.

Enter a **username** following the guidelines provided. Then enter a **password** that follows the guidelines provided. Confirm your password by entering it a **second time**.

Next, select a **secret question** by clicking the arrow in the drop-down box. Then provide an answer to that question that you will remember. This question and answer will be used to confirm your identity in the event you forget your username or password.
5. Scroll down to read the descriptions for Terms of Service, Information Pledge, and Background Check Authorization. Click in all boxes to agree to all of these required terms.

6. In the **Name and Address** section (shown above), complete all required fields marked by an asterisk. The other fields are optional but you may want to complete those relevant to you.

7. Next, scroll down to the **Contact Information** section. Enter your **email address** and confirm by entering it again in the second box. If you wish to add an additional email address, click on the link in the lower right corner of the box.

8. Scroll down to contact method 1. Click on the drop down list to select your preferred method of contact. **This is how you will be contacted in the event of an emergency**. Enter the number to attempt. (If you select SMS/Text Message, you will be provided an additional field that asks for your phone carrier.)
9. Next, enter your **Occupation Information**.

Select "Medical/Behavioral Health" if you are licensed as veterinarian (small or large animal) or veterinarian technician.

Select "Non-Medical" if you are licensed as humane officer, or are designated as an animal caregiver; animal control worker; animal handler large; animal handler small from the “Occupation” drop down box.

Next, choose your “Occupation” from the Occupation drop-down box.

Then, select your **current professional status** from the list provided and click on Next on the bottom right of the page to finish.

**Note:** If you missed a required field, you will get a message asking you to complete that field before proceeding.

**Note:** Registration completion will go faster if you gather important information before you begin: professional license information (license number and suffix (150/151), expiration date, status); social security number; and emergency contact information.

10. When all sections are completed, you will see a **Congratulations** message. This message asks you to provide additional information in order to make you eligible for deployment. Click on the Profile Summary link to start.
11. When you arrive at the Profile Summary page, it will show you all the sections where additional information is needed. **Note:** Your summary has a gauge that indicates the percentage of your profile that is complete. Strive to reach 100%.

12. To add information to any of the other incomplete profile sections, click on the links on the Profile Summary page (above). **Please keep your contact information current.**

If you need to complete or make changes to your profile, each section has an edit button to open the boxes for you. Make the additions or revisions, be sure to “Save Changes” on the bottom right of each section.

Be sure to keep your WEAVR username and current password in a safe location. If you forget your username or password, there is a link on the WEAVR page just below the Log In button to retrieve a lost username or password.

Password changes are required at 90-day intervals. You will get a message to change your password when this interval has passed. Changing your password is a very quick process.
