

Weights and Measures Technician and Petroleum 2022 Certification Examination Schedule

The certification exams are proctored by the University of Wisconsin in 4 different locations. Applications with their respective exam fee must be sent directly to DATCP – Bureau of Weights and Measures. A minimum of 3 testers will be required per location in order for the exam to be held. If less than 3 testers apply, we will contact testers and will offer an alternate location/date before the scheduled exam.

Exams in Madison will be offered every month. Exams in other locations will be offered once per quarter.
