
Wisconsin County & District Fairs

2023

Annual Report

2023 Wisconsin County and District Fairs Annual Report

INTRODUCTION

Fairs bring producers and consumers together and unite rural and urban people in an educational and entertaining community activity. An essential part of this process is showcasing youth and adult exhibits.

Fairs and festivals provide entertaining and educational agricultural displays to engage fairgoers of all ages. Serving as a community showplace, fairs offer informational exhibits, entertainment, and the opportunity for youth and adults to work and volunteer together. County fairs have adapted to keep up with changes in agriculture and technology and helped lead these changes to fit community needs.

Many of Wisconsin's 74 county and district fairs are involved with the International Association of Fairs & Expos (IAFE). As IAFE members, they enter contests for advertising and promotions, and learn how to develop and promote agricultural education. Wisconsin county fairs, and the Wisconsin State Fair, have won national IAFE awards.

STATE AID

The source of 2023 county fair aid funding comes from General Purpose Revenue. The uniform premium list, as established in ATCP 160 of the Wisconsin Administrative Code, provides the basis for the distribution of \$650,000 for premium aid to county and district fairs.

State aid is paid on a formula established in 2007 by the Legislature. Section 20.115(4) (b), Wis. Stats. Premiums are paid to Junior, Open and Senior Citizen classes, with a \$10,000 maximum for each fair. Section 93.23(1) (a) directs money to be paid to fairs by request only. State aid paid to each fair is based on premiums paid in the current fair season.

FAIR PROMOTION

The **Fairs Entertainment Schedule** is a promotional tool listing daily entertainment for each Wisconsin fair. It is printed and distributed through collaboration between the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) and the Wisconsin Association of Fairs.

For a listing of fair dates and contact information, visit: www.wifairs.com

Additional fairs information, including the **Fair Judge Application** is located on the DATCP website at: <https://datcp.wi.gov>. Licensed fair judges can update information, sign up for new departments or change their fair judge status by emailing: datcpfairjudgeupdate@wisconsin.gov

ATCP 160 UPDATE

Effective October 1, 2022, ATCP 160 was updated to modernize and clarify the requirements for fairs receiving state aid. The updated rule can be referenced here: https://docs.legis.wisconsin.gov/code/admin_code/atcp/140/160.pdf

SUMMARY

Fairs are an integral part of communities, bringing together rural and urban residents in an educational and entertaining venue. The success of county and district fairs can be measured in many ways – educational value to youth, social impact to people living in the community and surrounding areas, and the economic impact on the community and state. Fairs continue to provide an excellent value for fairgoers' dollars.

As current and future generations become less connected to the farm, there is a need to increase consumer agricultural awareness and education. State, county, and district fairs do an exceptional job in filling this need by offering both an educational and entertaining experience through hundreds of exhibits, educational events, and entertainment.
