# 2024 Wisconsin County and District Fairs Annual Report

---

## INTRODUCTION

Fairs bring producers and consumers together and unite rural and urban people in an entertaining and engaging community activity. An essential part of this process is showcasing youth and adult exhibits.

Fairs provide agricultural displays to educate fairgoers of all ages. Serving as a community showplace, fairs offer informational exhibits, entertainment, and the opportunity for youth and adults to work and volunteer together. County fairs have adapted to keep up with changes in agriculture and technology and helped lead these changes to fit community needs.

Many of Wisconsin's 74 county and district fairs are involved with the International Association of Fairs & Expos (IAFE). As IAFE members, they enter contests for advertising and promotions and learn how to develop and promote agricultural education. Wisconsin county fairs and the Wisconsin State Fair have won national IAFE awards.

## STATE AID

The source of 2024 county fair aid funding is General Purpose Revenue. The uniform premium list, as established in ATCP 160 of the Wisconsin Administrative Code, provides the basis for the distribution of \$650,000 for premium aid to county and district fairs.

State aid is paid on a formula established by the legislature in 2007 in Section 20.115(4) (b), Wis. Stats. Premiums are paid to Junior, Open, and Senior Citizen classes, with a \$20,000 maximum for each fair. Section 93.23(1) (a) directs money to be paid to fairs by request only. State aid paid to each fair is based on premiums paid in the current fair season.

## FAIR PROMOTION

The Fairs Entertainment Schedule is a promotional tool listing daily entertainment for each Wisconsin fair. It is printed and distributed through collaboration between the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) and the Wisconsin Association of Fairs.

For a listing of fair dates and contact information, visit [www.wifairs.com](http://www.wifairs.com).

Additional fairs information including the fair judge application is located on the DATCP website at: <https://datcp.wi.gov/Pages/AgDevelopment/FairsAndShows.aspx>. Licensed fair judges can update their information, sign up for new departments, or change their fair judge status by emailing: [datcpfairs@wisconsin.gov](mailto:datcpfairs@wisconsin.gov).

## SUMMARY

Fairs provide a platform for celebrating traditions and fostering local pride. The success of county and district fairs can be measured in many ways – educational value to youth, social impact to people living in the community and surrounding areas, and economic impact on the community and state. Fairs continue to provide an excellent value for fairgoers' dollars.

As society becomes increasingly disconnected from the farm, the need for agricultural awareness has never been greater. State, county, and district fairs play a vital, cost-effective, and impactful solution – engaging the public, educating future generations, and celebrating our agricultural roots. Fairs are more than tradition – they deliver fun, memorable experiences, strengthen rural-urban connections, and grow lasting support for agriculture.
