

D. Revisit ATCP 72.19(2) Pest Control

(2) PEST CONTROL. Every lodging facility shall be maintained to prevent the entrance, harborage, or infestation of pests, vermin, or wildlife.

(a) *Effective measures*. 1. Effective measures to minimize the presence of pests shall be utilized. The department or its agent may order the operator to hire a licensed pest control operator to exterminate the pests under the following conditions:

a. The infestation is so extensive that it is unlikely that a nonprofessional can eradicate the pests effectively. ^P

b. Upon a reinspection from the department or its agent pursuant to s. ATCP 72.09 (1) (b), the establishment continues to be in noncompliance with a prior order to rid the establishment of pests. ^P

2. In the event the operator is unable to secure a licensed pest control operator, the temporary order issued pursuant to ATCP 72.26 (2) may be extended pursuant to ATCP 72.09 (3) (b).

3. a. Openings to the outside shall be protected from the entrance of pests. ^{Pf}

b. All windows that can be opened in each individually keyed unit shall be screened, using 16 mesh or finer material.

4. Pest control measures shall be used in a safe manner and applied according to label instructions. ^P

(b) *Restricted use pesticides*. A restricted use pesticide shall be applied only by an applicator certified and licensed in accordance with ss. 94.704 and 94.705, Stats., and ss. ATCP 29.25, 29.26 and 29.40. ^{Pf}

Note: For bed bugs, when the presence of live or dead bed bugs, eggs, skin casts, or fecal spotting are identified in an individually keyed unit, it is recommended to perform an investigation in the rooms adjacent to the identified room and the rooms above and below the identified room.

E. Revisit ATCP 72.25 Death, injury, illness reports

ATCP 72.25 Death, injury or illness reports. The licensee or their designee shall report an incident that results in death, injury, or food, waterborne or other communicable illness where an emergency medical service response is required relating to any provision in ch. ATCP 72. The report shall be filed with the department or its agent by the end of the next business day following the incident by phone or email.

Note: Report deaths, injuries, or illnesses to the bureau of food and recreational businesses by calling (608) 224-4682 or email datcpdfsrec@wisconsin.gov. or if licensed by an agent, by contacting your agent health department
