

# ARE SCAMMERS STEALING YOUR MONEY?

- Scammers ask for money to be sent through untraceable, irreversible payment methods like:
  - Cryptocurrency
  - Gift cards
  - Wire transfers
  - Payment apps
  - Pre-paid cards
  - Cash
- If someone refuses to accept a more secure form of payment, it's a scam!

Scan to learn more from DATCP's Bureau of Consumer Protection.

**CONTACT THE BUREAU OF CONSUMER PROTECTION IF YOU ARE SUSPICIOUS OF A SCAM.**
