

CREP STATE MID-MANAGEMENT COST-SHARE

USE FOR:

- Mid-management cost share for CRP-1s post FSA Sign-up 52. DATCP will continue to cover 20% of the cost-share of mid-management practices on all CREP contracts even through FSA ceased reimbursement in the 2018 Farm Bill. Complete FSA 848-B and copy of the paid invoice required.
- CREP Easements with expired CRP-1s and an approved updated Conservation Plan, DATCP will reimburse cost-share up to 50% of eligible mid-management maintenance activities. Payment rates based on current FSA CRP rates. A copy of the paid invoice required.

OBTAIN FSA 848-B

- Program year, field number should be completed. Column G (practice complete) and Column H (acres served) should be completed. (Table 9)
- Participant signature (Table 10, cell C) indicates the practice has been verified complete by FSA
- Table 12 (Practice Extent Performed) should have a Total Installation Cost (column J) completed.

COMPLETE THE STATE CREP FORM LWR-287

- Section 1 will be autofilled. A copy of the LWR-287 specific to your agreement will be emailed upon mailing of incentive payments, or can be obtained by emailing DATPCREP@wisconsin.gov.
- Section 3: Using the [CREP Cost-Share Rates Table \(see page 2\)](#), find the component number (Table 10, column E on 848-B). Match the component(s) on the FSA-848B with the correct CP and Post-52 FSA Code (Cost Share Rates Table).
- Submit to DATPCREP@wisconsin.gov with the following documents: complete FSA-848B, LWR-287, receipts/invoices of expenses, marked paid.
