

Category 1 Licensure by Examination:

Applicants who graduated within the last five years and have not previously held a veterinary license in another jurisdiction.

You should not apply for a Wisconsin Veterinary Medicine License until **after** you have taken and passed both the NAVLE and Wisconsin examination on state laws and rules. Both exams are administered through the International Council for Veterinary Assessment (ICVA). Visit ICVA for instructions.

Once both exams are passed, apply and pay online at [MyDATCP.wi.gov](https://mydatcp.wi.gov), or print and mail your documents. Applying online and paying with a credit card or automated clearing house (ACH) will be the quickest option as payment can be applied right away.
