Section 93.135, Wis. Stats., requires the department to collect the Social Security Number (SSN) of every individual applying for a license, registration, permit or certificate. The department is required by law to provide the collected SSNs to the Department of Children and Families. The collection of SSNs and the provision of SSNs to the Department of Children and Families will be done in a manner which will protect the confidentiality of SSNs. When a SSN is received in department offices, the SSN will be entered into the department's computer system and the paper document on which the SSN was written will be shredded.

BY LAW, THE DEPARTMENT MAY NOT ISSUE A LICENSE, REGISTRATION, PERMIT OR CERTIFICATE UNTIL THE INDIVIDUAL HAS PROVIDED HIS OR HER SOCIAL SECURITY NUMBER.
