# News

August 2022 Edition

## Dear Wisconsin Children's Safety Advocates:

In July 2022, the U.S. Consumer Product Safety Commission issued 8 recalls relating to products affecting children. Attached is a summary of the releases identifying the product, the problem, and what should be done with the recalled product.

We have found that not all of the recalls are picked up by the news media as they occur. This monthly summary will give you the opportunity to review all of the children's product safety recalls for the past month. If you are interested in a complete text of the recall, click on the hyperlink at the end of the recall description. This will direct you to the recall notice located on the CPSC website.

- Scholastic Recalls Shake Look Touch Books Due to Choking Hazard ([22-181](#))
- Samson International Recalls Cayden 9-Drawer Chests Due to Tip-Over and Entrapment Hazards ([22-755](#))
- Sakar International Recalls Tony Hawk Silver Metallic Multi-Purpose Helmets Due to Risk of Head Injury ([22-185](#))
- Silicone Baby Toy Bear Activity Toys Recalled Due to Laceration Hazard ([22-188](#))
- Monti Kids Recalls Toy Box with Bins Due to Choking Hazard ([22-759](#))
- Aesop USA Recalls Bathroom Deodorizing Drops and Oil Burner Blends Due to Failure to Meet Child Resistant Packaging Requirements and Violation of FHSA Labeling Requirement ([22-190](#))
- Epoch Everlasting Play Recalls Kidoozie Play Tents and Playhouses Due to Flammability Risk and Burn Hazard ([22-192](#))
- First Choice Glass Bottles Recalled by NUK Due to Violation of the Federal Lead Content Ban ([22-765](#))

# KEEP YOUR KIDS SAFE

**Release Number: (#22-141)** Scholastic Inc., of New York, is announcing the voluntary recall of about 185,700 Shake Look Touch books. This recall involves the Shake Look Touch book, a plush book with touch and feel components for young children. The books measure 5.9 x 1.7 x 8.4 inches. The recalled books have pink and green pom poms attached to them with a string. Only books with the pom poms are included in this recall.

**Problem:** The pom poms on the book can detach, posing a choking hazard to young children.

**What to do:** Consumers should immediately take the book away from young children and cut the pom poms off the book. Consumers can participate in the recall and receive a \$10 gift card by registering online at [www.recallrtr.com/slt](http://www.recallrtr.com/slt), submitting a picture of the book and removed pom poms, and affirming that the removed pom poms will be disposed of in the trash. Consumers can use the book after removing and disposing of the pom poms. Consumers can also contact Scholastic toll-free at 888-724-1872 from 7 a.m. to 5 p.m. CT Monday through Friday, online at [www.recallrtr.com/slt](http://www.recallrtr.com/slt) or [www.scholastic.com/slt](http://www.scholastic.com/slt) or [www.scholastic.com](http://www.scholastic.com) and click on "Product Safety" at the bottom of the page for more information.

**Release Number: (#22-755)** Costco Wholesale Corp., of Issaquah, Washington, is announcing the voluntary recall of about 5,400 Universal Broadmoore Cayden Gentleman's 9-drawer chests. This recall involves Samson International's Universal Broadmoore Cayden Gentleman's 9-drawer chests with model/item number M71C3180. The chests are brown and measure about 49 inches tall, 55 inches wide, and 18 inches deep. A label located on the back of each unit contains "Samson International," the model/item number, the month and year of manufacture, and the Costco customer item number 1335751. The chests are made of wood. The date codes are printed in MMDDYYYY (month/day/year) format and recalled units have manufacturing date codes between September 2019 and November 2019.

**Problem:** The recalled chests are unstable if they are not anchored to the wall, posing tip-over and entrapment hazards that can result in death or serious injuries to consumers.

**What to do:** Consumers should immediately stop using recalled chests if they are not properly anchored to the wall and place them in an area that children cannot access. Contact Samson for a full refund or a free tip-over restraint kit. Samson will provide pre-paid shipping labels so that consumers can remove the chest's drawer slides and return them to Samson for a full refund. Samson will also provide free in-home installation of the tip-over restraint kit upon request. Consumers can also return the item to any Costco Warehouse for a full refund. Consumers can also contact Samson International at 800-357-0701 from 8 a.m. to 8 p.m. ET Monday through Friday, email at [info@samsoninternational.com](mailto:info@samsoninternational.com), or online at <http://www.samsoninternational.com/wp-content/uploads/2022/06/Cayden-Dresser.pdf> or [www.samsoninternational.com](http://www.samsoninternational.com) and click on "IMPORTANT RECALL INFORMATION" at the top of the page for more information.

**Release Number: (#22-185)** Sakar International Inc., of Edison, New Jersey, is announcing the voluntary recall of about 12,655 Tony Hawk Silver Helmets. This recall involves Tony Hawk Silver Metallic multi-purpose helmets. The helmets are silver with black straps and a black buckle. Tony Hawk's signature is printed on the outside of the helmet. The white warning label on the inside of the helmet contains the Item No. AGE2515STH-SIL on the top right corner. These Tony Hawk Silver Metallic multi-purpose helmets were also provided as replacement helmets for [Sarkar Dimensions Bluetooth Speaker Helmets](#) in March 2022 and now themselves are being recalled. Sakar will contact consumers who received the replacement helmet as a remedy.

**Problem:** The recalled helmets do not comply with the positional stability and retention system requirements of the U.S. CPSC federal safety standard for bicycle helmets. The helmets can fail to protect in the event of a crash, posing a risk of head injury.

**What to do:** Consumers should immediately stop using the recalled helmets and contact Sakar for instructions on receiving a refund in the form of a \$40 Walmart gift card. Consumers should not return the helmet to Walmart and should contact Sakar for the gift card and to facilitate returns using prepaid postage packaging. Walmart will contact all known purchasers. Consumers can also contact Sakar at 800-592-9541 anytime, email at [support@sakar.com](mailto:support@sakar.com), or online at <https://www.vivitar.com/pages/recalls> or [www.vivitar.com](http://www.vivitar.com) and click on "Recalls" at the bottom of the page.

[Sakar International Recalls Tony Hawk Silver Metallic Multi-Purpose Helmets Due to Risk of Head Injury; Sold Exclusively at Walmart | CPSC.gov](#)

**Release Number: (#22-188)** Konges Sløjld A/S, of Denmark, is announcing the voluntary recall of about 85 baby mirror activity toys. This recall involves Konges Sløjld Baby Mirror Activity Toys. The wobbler/tumble toy is made of silicone, is inflated with air and has a mirror glued in the center opening which measures about 3 inches in diameter. The item number KS2497 and batch number 062021 are printed on the bottom of the toy. Embossed on the back of the toy is the company logo, address and the words 'Designed in Denmark, made in China.'

**Problem:** The mirror can come out of the silicone bear cover if pushed, exposing sharp edges of the mirror, posing a laceration hazard to children.

**What to do:** Consumers should immediately take the toy away from children, stop using the recalled Konges Sløjld Baby Mirror Activity Toy and contact Konges Sløjld for a full refund. Consumers can also contact Konges Sløjld collect at 917-730-1075 from 3 a.m. to 9 a.m. ET Monday through Friday, by email at [info@kongessloej.com](mailto:info@kongessloej.com) or online at <https://kongessloejd.com/pages/product-recall> or <https://kongessloejd.com/> and click on "product recall" at the bottom of the site for more information.

[Silicone Baby Toy Bear Activity Toys Recalled Due to Laceration Hazard; Manufactured by Konges Sløjld Denmark A/S | CPSC.gov](#)

**Release Number: (#22-759)** Monti Kids Inc., of Orinda, California, is announcing the voluntary recall of about 1,500 Monti kids toy box with bins. This recall involves the Box with Bins included in the Monti Kids' Level 5 of the Monti Kids Program subscription box. The box is made of wood and has three bins colored blue, red, and yellow. The toy measures approximately 13 x 5.5 x 5.5 inches and this recall includes toys with lot numbers 0D41 and 1A41. The lot number, along with the following text, can be found on the bottom of the toy: "Montessori designs, Ethically Made in Vietnam, and ASTM CPSIA Safety Certified," are printed on the underside of the box.

**Problem:** A small dowel can become exposed and detach from the toy box, posing a choking hazard to young children.

**What to do:** Consumer should immediately stop using the recalled Box with Bins and contact Monti Kids for instructions to receive a \$35 refund. The firm is contacting all known purchasers directly. Consumers can also contact Monti Kids at 800-674-3845 from 9 a.m. to 5 p.m. PT Monday through Friday, email at [customercare@montikids.com](mailto:customercare@montikids.com) or online at [www.montikids.com/recalls/boxwithbins](http://www.montikids.com/recalls/boxwithbins) or [www.montikids.com](http://www.montikids.com) and click on "Recalls" for more information.

[Monti Kids Recalls Toy Box with Bins Due to Choking Hazard \(Recall Alert\) | CPSC.gov](#)

**Release Number: (#22-190)** Aesop USA Inc., of New York, is announcing the voluntary recall of about 154,300 Aesop post-poo drops and Aesop oil burner blends. This recall involves Aesop Post-Poo Drops, a bathroom deodorizer in a 100 mL amber glass bottle, with a continuous thread pipette dispenser closure. The bottle has a black and cream label with the brand name Aesop. The UPC number 9319944009200 is located on the rear of the bottle, directly below the ingredients list. The deodorizer product was also sold in four versions of the Home Kit: The Protector, The Seasoned Wayfarer, The Melodist, and The Familiar Horizon. The UPC numbers for four versions of the Home Kit are located on the rear of the printed sleeve. Only the Aesop Post-Poo Drops in the kit are included in this recall. The product names and UPC of recalled items can be found online.

**Problem:** The recalled products contain low-viscosity hydrocarbons which must be in child resistant packaging as required by the Poison Prevention Packaging Act (PPPA). The packaging of the products is not child resistant, posing a risk of poisoning. In addition, the label on the products violates the Federal Hazardous Substances Act (FHSA) by omitting the mandatory information on the packaging.

**What to do:** Consumers should immediately stop using the recalled products and store them in a safe location out of reach and sight of young children. Contact Aesop for information on how to safely dispose of the recalled products and how to receive a full refund in the form of an Aesop digital gift card in the amount of the price of the recalled product(s). The gift card can be used towards the purchase of any Aesop product at any Aesop store or online at <https://www.aesop.com>. Consumers can also contact Aesop toll-free at 888-422-4773 from 9 a.m. to 5 p.m. PT Monday through Friday, email at [customerservice@aesop.com](mailto:customerservice@aesop.com), online at <http://aesop.com/us/r/recall-2022>, or at <https://www.aesop.com/us> and click on "Product Recalls" at the bottom of the homepage.

[Aesop USA Recalls Bathroom Deodorizing Drops and Oil Burner Blends Due to Failure to Meet Child Resistant Packaging Requirements and Violation of FHSA Labeling Requirement; Risk of Poisoning | CPSC.gov](#)

**Release Number: (#22-192)** Epoch Everlasting Play LLC, of Pine Brook, N.J., is announcing the voluntary recall of about 251,600 Kidoozie™ Play Tents and Playhouses. This recall involves Kidoozie Ice Castle Tent, King Size Medieval Castle, My Clubhouse, Pirate Den Playhouse, Pop Up Theater Tent, Pop Up Theater Tent (Red), Princess Hideaway Playhouse and Royal Castle Playhouse tents and playhouses. The tents and playhouses are made of nylon and mesh and sold with a nylon storage bag. All of the tents and playhouses, except the King Size Medieval Castle, measure about 36 inches squared width and about 54 inches high. The King Size Medieval Castle measures about 43 inches square width and about 55 inches high. "Epoch Everlasting Play" is written on a sewn-in label on the underside of the tent or playhouse.

**Problem** The fabric playhouses and play tents fail to meet an industry flammability standard for these products, posing a risk of burn injuries to children.

**What to do:** Consumers should immediately take the recalled playhouses and play tents away from children, stop using them and contact Epoch Everlasting Play for a full refund or free replacement product. Consumers can also contact Epoch Everlasting Play at 800-631-1272 from 8 a.m. to 5 p.m. ET Monday through Friday, email at [productsafety@epocheverlastingplay.com](mailto:productsafety@epocheverlastingplay.com) or online [www.epocheverlastingplay.com/recalls](http://www.epocheverlastingplay.com/recalls) or [www.epocheverlastingplay.com](http://www.epocheverlastingplay.com) and click on "Recalls" on the top menu for more information.

[Epoch Everlasting Play Recalls Kidoozie Play Tents and Playhouses Due to Flammability Risk and Burn Hazard | CPSC.gov](#)

**Release Number: (#22-765)** Astir Care Ltd., of Birmingham, Great Britain, is announcing the voluntary recall of about 100 NUK First Choice 240 mL Glass Baby Bottles. This recall involves NUK-branded First Choice glass baby bottles (ASIN B0027SVJ90) which were manufactured for the UK market only and not intended for sale in the United States. The glass bottles have a latex teat intended for 0 to 6 months old in 240 mL size. The brand name NUK is in white lettering, a graduated volume scale in white markings, and white and gray stars are on the outside of the bottle. Only the NUK-branded glass baby bottles described above that were manufactured for the UK market are included in this recall.

**Problem** The markings on the outside of the bottles contain levels of lead that exceeds the federal lead content ban. Lead is toxic if ingested by young children and can cause adverse health issues.

**What to do:** Consumers should immediately stop using the recalled glass baby bottles. Contact NUK for information on how to return the recalled baby bottle and receive a full refund. Consumers can register for a kit to return the baby bottles for free at [www.recall.nuk-usa.com](http://www.recall.nuk-usa.com). Astir Care (Amazon seller) is contacting all known purchasers directly. Consumers can also contact NUK toll-free at 888-685-1238 from 9 a.m. to 5 p.m. ET Monday through Friday, online at [www.recall.nuk-usa.com](http://www.recall.nuk-usa.com), or a [www.nuk-usa.com](http://www.nuk-usa.com) and click on RECALL at the top of the page for more information.
