What is an AEA?

Agricultural enterprise areas (AEAs) are community-led efforts establishing designated areas important to Wisconsin’s agricultural future. As part of the state’s Farmland Preservation Program, AEAs strive to support local farmland protection goals, the agricultural economy, and environmental efforts. Learn more at https://farmlandpreservation.wi.gov

To find out if your land is located in the Town of Troy AEA and to sign a farmland preservation agreement, contact

**St. Croix County Land Conservation Division:**
Max Erickson: (715) 531-1930 or email max.erickson@sccwi.gov
Tim Stieber: (715) 531-1905 or email tim.stieber@sccwi.gov

To start or join a current AEA, contact your county land conservation department where your land is located.
