Subject: Agricultural Chemical Cleanup Council (ACCC) Member Appointment Nominations

The ACCC is composed of six members, as set by ATCP 35.34, Wis. Adm. Code. A listing of the current members and their term expiration dates is attached. On June 30, 2020, terms will expire for the following ACCC members:

- Marv Prestrud is one of two members to represent farmers and was appointed to the Council in July 2018.
- Joe Sikora, Insight FS, a Division of GROWMARK, Inc. was appointed to the Council in July 2018 and is one of two members to represent pesticide dealers and commercial applicators.
- Benjamin Nelson, Montgomery Associates Resource Solutions, LLC, was appointed to the Council in July 2018 and represents environmental consultants.

Members with terms expiring in 2020 were contacted by DATCP staff and asked if they were interested in serving another term. Marv Prestrud, Joe Sikora and Benjamin Nelson have all agreed to serve another two year term.

Due to the nature of reimbursement issues discussed by the Council, it is beneficial to maintain some continuity of membership over the years, where possible. With your authorization and after these appointments have been presented to the Board, we will prepare the letters to notify Marv Prestrud, Joe Sikora, and Benjamin Nelson of their appointments.
